ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the person(s) named below (referred to as "INVENTOR" whether singular or plural) has sold, assigned, and transferred and does hereby sell, assign, and transfer to Xporta, Inc., a Delaware corporation, having a place of business at 275 Saratoga Avenue, Suite 260, Santa Clara, California 95050-6667, ("ASSIGNEE"), for itself and its successors, transferees, and assignees, the following:

1. The entire worldwide right, title, and interest in all inventions and improvements ("SUBJECT MATTER") that are disclosed in the provisional application filed under 35 U.S.C. §111(b) or non-provisional application filed under 35 U.S.C. §111(a) and entitled SYSTEM AND METHOD FOR CALCULATING REAL-TIME COSTING INFORMATION ("APPLICATION"), which:

is to be filed herewith

was filed on _____,

now bearing U.S. application number _____; and

2. The entire worldwide right, title, and interest in and to:

- (a) the APPLICATION;
- (b) all applications claiming priority from the APPLICATION;
- (c) all divisional, continuation, substitute, renewal, reissue, and other related applications thereto which have been or may be filed in the United States or elsewhere in the world;
- (d) all patents (including reissues and re-examinations) which may be granted on the applications set forth in (a), (b), (c) and (d) above; and
- (e) all right of priority in the APPLICATION, together with all rights to recover damages for infringement of provisional rights.

INVENTOR agrees that ASSIGNEE may apply for and receive patents for SUBJECT MATTER in ASSIGNEE's own name.

INVENTOR agrees to do the following, when requested, and without further consideration, in order to carry out the intent of this Assignment: (1) execute all oaths, assignments, powers of attorney, applications, and other papers necessary or desirable to fully secure to ASSIGNEE the rights, titles and interests herein conveyed; (2) communicate to ASSIGNEE all known facts relating to the SUBJECT MATTER; and (3) generally do all lawful acts that ASSIGNEE shall consider desirable for securing, maintaining, and enforcing worldwide patent protection relating to the SUBJECT MATTER and for vesting in ASSIGNEE the rights, titles, and interests herein conveyed. INVENTOR further agrees to provide any successor, assign, or legal representative of ASSIGNEE with the benefits and assistance provided to ASSIGNEE hereunder.

INVENTOR represents that INVENTOR has the rights, titles, and interests to convey as set forth herein, and covenants with ASSIGNEE that the INVENTOR has not made and will not hereafter make any assignment, grant, mortgage, license, or other agreement affecting the rights, titles, and interests herein conveyed.

INVENTOR grants the attorney of record the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

GENERAL ASSIGNMENT

This Assignment is made as of the 26th day of January 2005, by XPORTA, Inc., a California Corporation with offices at 275 Saratoga Avenue, Santa Clara, California 95050, hereinafter referred to as "Assignor", to Sherwood Partners, Inc., hereinafter referred to as "Assignee".

WITNESSETH: That Assignor, for and in consideration of the covenants and agreements to be performed by Assignee, as hereinafter contained, and for good and valuable consideration, receipt whereof is hereby acknowledged, does hereby grant, bargain, sell, assign, convey and transfer to Assignee, its successors and assigns, in trust, for the benefit of Assignor's creditors generally, all of the property of Assignor of every kind and nature and wheresoever situated, both real and personal, and any interest or equity therein not exempt from execution, including, but not limited to, all that certain stock of merchandise, equipment, furniture, fixtures, accounts, books, cash on hand, cash in bank, deposits, patents; copyrights, trademarks and trade names and all associated goodwill, source codes, software, and related documentation, insurance policies, and choses in action that are legally assignable, together with the proceeds of any existing non-assignable choses in action that may hereafter be recovered or received by Assignor. Assignor agrees to execute such additional documents as shall be necessary to accomplish the purposes of this Assignment.

This Assignment specifically includes and covers all claims for refund or abatement of all excess taxes heretofore or hereafter assessed against or collected from Assignor by the U.S. Treasury Department or any other taxing agency, and Assignor agrees to sign and execute power of attorney or such other documents as required to enable Assignee to file and prosecute, compromise and/or settle, all such claims before the Internal Revenue Service, U.S. Treasury Department or any other taxing or other Governmental agency.

Assignee is to receive said property, conduct said business, should it deem it proper, and is hereby authorized at any time after the signing hereof by Assignor to sell and dispose of said property upon such time and terms as it may see fit, and is to pay to creditors of Assignor pro rata, the net proceeds arising from the conducting of said business and sale and disposal of said property, after deducting all moneys which Assignee may at its option pay for the discharge of any lien on any of said property and any indebtedness which under the law is entitled to priority of payment, and all expenses, including a reasonable fee to Assignee and its attorneys.

Assignee is also authorized and empowered to appoint and compensate such agents, field representatives and/or attorneys and/or accountants as it may deem necessary, and such agents and/or field representatives shall have full power and authority to open bank accounts in the name of Assignee or its nominees or agents and to deposit assigned assets or the proceeds thereof in such bank accounts and to draw checks thereon and with the further power and authority to do such other acts and to execute such papers and documents in connection with this Assignment as Assignee may consider necessary or advisable.

Assignor acknowledges that certain of the assets being assigned under this General Assignment may be subject to restrictions on the use or transfer of such assets, the unauthorized use or transfer of which may result in further damages or claims. Such assets may include, without limitation, intellectual property rights of the Assignor (e.g., trade names, service names, registered and unregistered trademarks and service marks and logos; internet domain names; patents, patent rights and applications therefor, copyrights and registrations and applications therefor; software and source code (and software licenses with respect thereto); customer lists and customer information; know-how, trade secrets, inventions, discoveries, concepts, ideas, methods, processes, designs, formulae, technical data, drawings, specifications, data bases and other proprietary assets (collectively, "Intellectual Property")). Assignor represents and warrants that its officers, directors, shareholders, employees, agents, customers and other third parties have been advised not to use, remove or cause a transfer (other than pursuant to this General Assignment) of any of the assets of Assignor, including without limitation the Intellectual Property, either prior or subsequent to this General Assignment, except as expressly authorized in writing in advance, which written authorization is not inconsistent with or otherwise may constitute a breach of any other written agreement. Except as authorized in writing, which has been disclosed in writing to Assignee, Assignor further represents and warrants that no asset (including, without limitation, the Intellectual Property) has been transferred, used, or removed, in whole or in part, in a manner that interferes with the rights and interests of a third party(ies) in such asset or otherwise may constitute a breach of any contract with such third party(ies).

Assignor authorizes the forwarding of its mail by the U.S. Postal Service as directed by Assignee.
